EN 71-3 DECLARATION: DS212Y8112

Protech Group Europe hereby declares that the thermosetting powder coating **DS212Y8112** (PE54 RAL 1017 GL) fulfills the requirements for scraped off materials (Category III) set out in the standard EN 71-3:2019+A1:2021 under Toy Safety Directive 2009/48/EC.

This standard sets out requirements for the specific migration of certain chemicals. OXYPLAST BELGIUM NV confirms that the abovementioned powder coating has successfully passed the migration tests specified in this standard.
