

THE PROTECH GROUP 50TH ANNIVERSARY

Montréal, Québec [May 1, 2026] — The Protech Group proudly marks its 50th anniversary, celebrating five decades of innovation, growth, and leadership in the global coatings industry.

FROM FAMILY BUSINESS TO INTERNATIONAL PLAYER

Founded in 1976 in Montréal as a small family business, The Protech Group has evolved into a trusted international manufacturer that develops high-performance thermoset powder coatings, thermoplastic coatings, industrial liquid coatings, architectural paints, and polymer-based materials. Today, the company operates an extensive network of over 30 manufacturing and distribution facilities across North America and Europe, with licensees and agents operating in Asia, the Middle East, and Africa.

FORMULATING THE RIGHT MIX

With 1,500+ employees from over 50 nationalities, The Protech Group is a multicultural, multilingual company that combines strong values, a supportive environment, and real opportunities for professional growth. Over the past 50 years, The Protech Group has built its reputation on technical expertise, customer service, and a commitment to quality and performance. With over 50 chemists and formulators, it continues to deliver products that meet the highest industry standards while addressing evolving market needs.

50TH ANNIVERSARY CELEBRATIONS

As part of the anniversary celebrations, The Protech Group will host a series of internal and external initiatives that recognize its people, showcase its technologies, and reinforce its position as a leader in the coatings industry. Looking ahead, The Protech Group remains committed to advancing coating technologies that enhance durability, performance, and environmental responsibility.

ABOUT THE PROTECH GROUP

Since 1976, the Protech Group has been developing and manufacturing coatings, paints, and specialty materials. Through quality and innovation, we formulate the right mix to protect and enhance what matters most to our customers. Protech Group products are manufactured in more than 30 sites worldwide. We serve our customers in countless markets and industries, including construction, infrastructure, transportation, consumer goods, and healthcare.
